## Provider Profile

---

Jennifer recieved her B.A. in Psychology from the University of Massachussetts and her M.S. in Behavioral Education from Simmons College. She has been a Board Certfied Behavior Analyst since 2008. Jennifer works with agencies, schools and families developing programs based on the principals of Applied Behavior Analysis for individuals with Autism Spectrum Disorder and other similiar diagnoses. Areas of interest include functioanl assessment of challenging behaviors, video modeling, food desensitization, discrete trial instruction, toilet training and independent activity schedules to increase appropriate leisure activities. Throughout her career Jennifer has provided direct and consultative services in private and public schools, for Birth to Three, in home based programs, as well as center-based facilities. She has received training and/or worked for Autism Partnership, The May Center and The New England Center for Children. She currently works as the district-wide behavior specialist and Autism Consultant for a public school in Connecticut.
